this book provides a roadmap for how police services can address incivility in the workplace and become more inclusive from the inside out in the past few years policing has come under increased scrutiny due to a number of police involved shootings and in custody deaths where

systemic racism the inability to effectively confront persons suffering from mental illness and excessive use of force have been perceived by civil rights groups to play a significant factor these deaths and the subsequent public outcry have led to various constituents questioning the legitimacy of the police the book incorporates real stories of police officers and case studies of select police organizations a look inside a number of these departments has identified an equal concern for incivility within the workplace in the form of gender and ethnic harassment and discrimination the costs of workplace incivility can be significant as workplace victims are not only likely to decrease their work effort quality of work and their level of commitment to the organization they are also likely to mistreat others in the workplace and to take their frustrations out on those they serve while these costs have a significant impact for police organizations incivility by police officers against members of the public can have a much greater impact in terms of eroding perceptions of police legitimacy this book takes a unique approach in providing a model for police organizations to pursue in becoming more inclusive to this end this book will be very relevant for police practitioners reform advisors researchers and graduate level course in special topics

a concise grammar for english language teachers excels at actually making grammar easy easy to understand easy to master easy to apply in the classroom its underlying aim is to help teachers become au fait with the terminology used in modern elt coursebooks and to build confidence in their ability to explain grammar rules both structural and functional among the bold innovations with this book is its a4 size which more readily accommodates highly commended tables of grammar items it is also the first english teacher s grammar to use tree diagrams to show sentence constituents in full clarity other strengths include the many excerpts from coursebooks and resource books plus the excellent practical tips throughout
